“I had an amazing experience here at the Advanced Reading Concepts. I was able to apply prior knowledge from the introduction class. I now feel confident in my reading and comprehension skills. I also feel well prepared to take tests and take effective notes in classes. I will be recommending it to my peers for reading, note taking and much more. Thank you. Thank you!”—*Daneen H. Reynoldsburg HS senior*

“This course is the best course that I have taken. I have learned skills in one weekend that will enhance my life forever. I’ll be able to do more reading for pleasure, business, and learning in a much shorter time frame and be able to take notes that make sense and are useful.”—*Thea B.*

“Fantastic course. I especially enjoyed the recall diagram. I was able to discuss in detail an article that I spent less than 10 minutes on. I think all that attended got a tremendous amount out of it. The results don’t lie! Thank you.”—

*Captain Jon R., US Army*
