“I was very skeptical of this class at first, but by the end of the first day I was very excited to learn and grow. This class taught me so much more than I ever expected and I know this opportunity will help me so much in the future. Thank you so much!”—Sara N., Upper Arlington HS

*“This course is the best course that I have taken. I have learned skills in one weekend that will enhance my life forever. All the techniques that I learned will be used on a regular basis. I’ll be able to do more reading for pleasure, business, and learning in a much shorter time frame and be able to take notes that make sense and are useful.”
—Thea B.*

“Fantastic course. I especially enjoyed the recall diagram. I was able to discuss in detail an article that I spent less than 10 minutes on. I think all that attended got a tremendous amount out of it. The results don’t lie! Thank you.”—Captain Jon R., US Army
