- ☑ **Have an ACT, SAT or other tests coming up?**
- ☑ **Want more confidence for academic goals?**
- ☑ **Want to have balance when life is busy again?**
- ☑ **Ever have mind wandering?**
- ☑ **Want to be less bored with assignments?**

- Learn how to quickly find exactly where you need to concentrate.
- Learn techniques that speed readers use to help you preview material.
- Increase your reading speed more than 100 words per minute.
- Learn strategies to improve your comprehension and eliminate regression
- Learn a note taking method for organizing information for mastery and for writing essays and papers
- Gain more confidence in your reading ability by acquiring the competitive edge.

"I was going to let my daughter tell you this, but I can't wait! She went from a 21 in reading on the ACT to a 29. That says volumes about what your class did for her. Kudos to Advanced Reading Concepts on a job well done!" RM

"Hi Bonnie! I just wanted to follow up with you. I passed the Ohio Bar Exam, and I think your tips really helped me get through all of the questions efficiently." A. O
