*This course was immensely helpful and well worth the time and money. The format was easy to follow and nicely presented. I will definitely be using the above the line hint to speed read. I am very glad to have these tips for the upcoming school year. I will have much more time to read choice books! (J.H., Hilliard Davidson HS)*

*In the beginning I was a little skeptical. But, over all the class has helped. I would say my favorite thing to learn was note taking. That will probably be the most effective thing I learned because that's the thing I most improved with and something I've struggled with. But now, I know how to do it and I know how to do it well. (Kareena J., Dublin Jerome HS)*

*When I first joined speed reading class, I thought I would never use this in my life! But now, I realize how amazing and useful this course is! The teacher is always so nice, everything is perfectly explained, and who couldn't like that! (Bennett K., Columbus Academy)*

*I really enjoyed the speed reading course. I have really increased both my comprehension and the amount of words per minutes I read. I really would just like to say thank you! (I.L., Olentangy HS)*

*At first, I thought I would be super confused but now I feel pretty good about what I have learned. I feel like this will help me a lot in the future, so I am excited to use this in my work at school. I really liked the airplane and above the line hint. Thank you. (A.S., Olentangy HS)*
